

Trademark Policy

Effective: August 3, 2026 · Version: 1.0 · Document Code: FLG-POL-006

Ownership & Brand Protection

FlutterGive and its associated logos, wordmarks, icon sets, graphics, and visual design assets are proprietary trademarks and intellectual property of FlutterGive. All rights are reserved globally.

Third-Party Disclaimer: Any third-party trademarks, payment logos (including Flutterwave), card scheme marks (Visa, Mastercard), or partner badges displayed on this platform belong to their respective registered owners.

Permitted Fair Use

You may reference the FlutterGive brand name or display official logo media solely to identify active campaigns, share community impact stories, or link to active fundraising pages. All usage must remain accurate and truthful, without implying official partnership, financial sponsorship, or corporate endorsement without explicit prior written consent.

Prohibited Trademark Uses

To prevent fraud, donor deception, and misrepresentation, the following uses are strictly prohibited:

- Deploying FlutterGive assets to promote unauthorized, fraudulent, or illegal campaigns.
- Altering colors, proportions, typography, or styling of official brand badges and logos.
- Registering domains, handles, or app titles incorporating "FlutterGive" trademarks.
- Impersonating FlutterGive support or officers in communications or campaign media.

Reporting Brand Infringement

If you discover phishing attempts, brand impersonation, or unauthorized trademark usage involving FlutterGive, please inform our legal compliance desk immediately at legal@fluttergive.com.
